+Individual results may vary based on circumstances.

HOW TO APPLY

Supreme Gold™ should be applied at approx. 3 to 5 lbs. per head per day.*+

Just mix with low amounts of corn, cracked corn, cubes, molasses, hay etc..*+ As an enticement; They will eat it full face.*+

Mastic Gum is a Natural Helpful Healing Aid & Ingredient Known for its Natural Anti-Bacterial & Nutritional Properties.*+

Any food that does not absorb can become ammonia.*+ The bad smell is a function of degradation of protein & other nutrients not absorbed into the body.*+

A Bonus of Efficient Absorption is NO BAD or Reduced AMMONIA SMELL in the Barn/Feed Areas.*+

All benefits discussed & more may be realized within days/weeks, not months.*+
